

# Swindon Asbestos Surveying Limited

Swindon Asbestos Surveying Limited are a family run business based in Swindon, Wiltshire and they offer asbestos testing, asbestos removal and they also run asbestos awareness training courses.

We have produced a website for Swindon Asbestos Removal Limited. The web site is informative and it also offers dates for training courses held in the Swindon area.

Swindon Asbestos Surveying Limited can be found in first place on Google using the following search terms, asbestos removal Swindon, asbestos training Swindon, asbestos surveying Swindon, asbestos awareness Swindon, asbestos Swindon and asbestos testing Swindon.

We continue to keep the website up to date in adding new up and coming training courses and relevant content.

Swindon Asbestos Surveying are now servicing the Gloucestershire area, so we have been successfully working to get them on to the first page of Google in the natural listings. We are delighted to announce that they now have first page listings in this area as well as the Swindon area.

**About Us**

Swindon Asbestos Surveying Ltd is a family run company based in Swindon, Wiltshire servicing the Wiltshire and Gloucestershire area. We pride ourselves in good service and a personal touch.

We are a professional asbestos surveying company with surveyors qualified to at least P402, P405, P406 and BOHS standard. All survey reports (Type 1, 2 and 3) are undertaken in accordance with Asbestos The Survey Guide and the samples are analysed by an independent UKAS accredited laboratory.

We ensure safe removal and disposal of all asbestos products by qualified asbestos removers and we offer completely im... and will only recommend removal of asbestos containing materials when necessary. We offer asbestos removal, asbestos consultancy and asbestos awareness training throughout the UK.
